Family and Friends CPR Course

This course can be taught by AHA Instructors and led by “facilitators” (such as community members, family members, friends and others) who wish to help pass on lifesaving CPR skills. The Family & Friends CPR Course is intended for anyone who wants to learn CPR and prefer to learn in an Instructor-led or facilitated group environment. This course is for people who do not need a course completion card for a job or other requirements. Ideal for community groups, parents, grandparents, caregivers, schools and students, and others interested in learning how to save a life. **AHA Family & Friends CPR Student Manual Included.**
