Heart Savers/First-aid/CPR/AED:Course Heartsaver: Pediatric/First-aid/CPR/AED Course

If you have no previous medical training and want to be prepared to assess and handle an emergency situation, then Heart Savers is the class for you. In this class you will have hands on training in CPR for adults, children and infants. Students will also learn how to perform the Heimlich Maneuver and use an AED. This course also, combines First-aid below. Teaching all in one session. Students who take this class will experience a classroom, video-based, instructor-led course that teaches students critical skills to respond to and manage an emergency in the first few minutes until emergency medical services (EMS) arrive. The class teaches students First Aid basics, how to handle medical emergencies, injury emergencies and environmental emergencies. **** Heartsaver difference** Optional module in adult CPR and AED use. Available upon request.** AHA Heartsaver First Aid Student Workbook Included.

Skills Review Menu

****We humbly request tables and chairs for comfortable student amount. Side by Side is great. Provide a Television or Projector for video. We provide the rest. ENJOY/ Have Fun/ It's your Class****

This is a QUOTE from "Learn CPR/First-Aid" for services of CPR/ AED and First-Aid Class. The student cost is quoted above. A valid E-Mail must be provided for the student to claim and print the available E-Card from the American Heart Website.

The Class is a 210 Min. session. Please understand that the class may be tailored for your most successful needs.

I, Jason Akridge, am a BLS Instructor for the American Heart Association and will be issuing a Nationally Accredited A.H.A. Certification. The A.H.A. card is State and Federally pursuant to all Healthcare licensing and relicensing in the United States of America. The CARD is good for a period of two (two) years from the month of date; class taken.

Learn CPR/First-Aid will be able to issue CE (Continuing Education) and CME (Continuing Medical Education) approval since all A.H.A. courses are CE and CME accredited. Qualifying classes include: ACLS, BLS, PALS, PEARS

Thank you for choosing "Learn CPR/First-Aid" and www.learn CPRfirstaid.com in providing worldly care to all.

A historical fact, with thoughts of the first CPR lesson to MAN: Genesis 2:7 states, "and the lord God formed man of the dust of the ground, and breathed into his nostrils the breath of life and man became a living soul." KJV "Welcome to the First CPR lesson to man"
